Reasons for excisions:**Summary of reasons
for classification:**

The publication *Pussyman Auditions 18* is classified as:
Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The publication is a DVD containing explicit sexual material contrived for the sexual arousal of viewers. The scenes are dated (from the early 1990s) and focus on adult men and women engaging in sexual activity, under the premise that the women are auditioning for entry into the adult entertainment industry.

The DVD was submitted by the New Zealand Customs Service along with 22 other DVDs under s13(1)(a) of the Films, Videos, and Publications Classification Act 1993 to determine whether they are objectionable in terms of s3. Two video versions of the first two titles in the same series as these DVDs had previously been classified as objectionable (OFLC Refs 9600764 and 9600760).

The strong and explicit sexual content of the publication requires a restriction to an adult audience to avoid any injury to the public good because of the way this material may unduly influence and impact upon younger and more impressionable persons. This classification represents the minimum interference of the freedom of expression as guaranteed under s14 of the New Zealand Bill of Rights Act 1990.
